(updated)

Foreword

These Model Standing Orders are issued by Welsh Ministers to Local Health Boards using powers of direction provided in section 12(3) of the National Health Services (Wales) Act 2006. Velindre University NHS Trust (Velindre) must agree Standing Orders (SOs) for the regulation of the Shared Services Partnership Committee's (the SSPC) proceedings and business. These SSPC SOs form an Annexe to Velindre's own SOs and have effect as if incorporated within them. They are designed to translate the statutory requirements set out in the Velindre University NHS Trust Shared Services (Wales) Regulations 2012 (2012/1261

(W.156)) and Velindre's Standing Order 3 into day-to-day operating practice. Together with the adoption of a scheme of decisions reserved to the SSPC; a scheme of delegation to NHS Wales Shared Services Partnership officers and others; and in conjunction with Velindre University NHS Trust Standing Financial Instructions (SFIs), they provide the regulatory framework for the business conduct of the SSPC.

These documents, together with the NWSSP Memorandum of Co-operation dated **[June 2012]** made between the seven Health Boards and three Trusts and two Special Health Authorities within NHS Wales, that defines the obligations of the 12 NHS bodies (the Partners) to participate in the SSPC and to take collective responsibility for the delivery of the services, a Hosting Agreement dated **[June 2012]** between the Partners that provides for the terms on which Velindre will host the NHS Wales Shared Services Partnership (NWSSP) and the Interface Agreement between the Chief Executive of Velindre (as the Accountable Officer for the organisation) and the Managing Director of NWSSP (as the Accountable Officer for NWSSP) dated **[June 2012]** that defines the respective roles of the two Accountable Officers, form the basis upon which the SSPC governance and accountability framework is developed. Together with the adoption of a Standards of Behaviour Framework, this is designed to ensure the achievement of the standards of good governance set for the NHS in Wales.

All SSPC members, NWSSP staff and Velindre staff must be made aware of these Standing Orders and, where appropriate, should be familiar with their detailed content. The Assistant Director of Corporate Services, NWSSP (Board Secretary for the SSPC) will be able to provide further advice and guidance on any aspect of the SOs or the wider governance arrangements for the SSPC. Section: A – Introduction

Statutory Framework

- i) Velindre University National Health Service Trust (Velindre) is a statutory body that came into existence on 1st December 1993 under the **Velindre National Health Service Trust (Establishment) Order 1993 (1993/2838)** (the Establishment Order).
- ii) The Velindre University NHS Trust (to be known as the SSPC for operational purposes) was established under the **Velindre National Health Service Trust Shared Services Committee (Wales) Regulations 2012 (2012/1261 (W.156))** (the Shared Services Regulations). The Shared Services Regulations define Shared Services at regulation 2 and the functions of the SSPC at regulation 4. The SSPC functions are subject to variations to those functions agreed from time to time by the SSPC. The SSPC is hosted by Velindre on behalf of each of the seven Health Boards, three Trusts and two Special Health Authorities within NHS Wales (the Partners).
- iii) The principal place of business of the SSPC is:

NHS Wales Shared Services Partnership
4-5 Charnwood Court
Heol Billingsley
Parc Nantgarw
Cardiff
CF15 7QZ
- iv) All business shall be conducted in the name of the NHS Wales Shared Services Partnership on behalf of the Partners.
- v) Velindre is a corporate body and its functions must be carried out in accordance with its statutory powers and duties. Velindre's statutory powers and duties are mainly contained in the **NHS (Wales) Act 2006 (c.42)** which is the principal legislation relating to the NHS in Wales. Whilst the **NHS Act 2006 (c.41)** applies equivalent legislation to the NHS in England, it also contains some legislation that applies to both England and Wales. The NHS (Wales) Act 2006 and the NHS Act 2006 are a consolidation of the NHS Act 1977 and other health legislation, which has now been repealed. The NHS (Wales) Act 2006 contains various powers of the Welsh Ministers to make subordinate legislation and details how NHS Trusts are governed and their functions.
- vi) **The National Health Service Trusts (Membership and Procedure) Regulations 1990 (1990/2024)**, as amended (the Membership

Regulations) set out the membership and procedural arrangements of the Trust.

- vii) Sections 18 and 19 of Annexe 3 to the NHS (Wales) Act 2006 provide for Welsh Ministers to confer functions on NHS Trusts and to give Directions about how they exercise those functions. Trusts must act in accordance with those Directions. Velindre's statutory functions are set out in its Establishment Order but many functions are also contained in other legislation such as the NHS (Wales) Act 2006.
- viii) However, in some cases, the relevant function may be contained in other legislation. In exercising its powers, Velindre must be clear about the statutory basis for exercising such powers.
- ix) Under powers in paragraph 4(1)(f) of Annexe 3 to the NHS (Wales) Act 2006 the Minister has made the Shared Services Regulations which set out the constitution and membership arrangements of the . Certain provisions of the Membership Regulations will also apply to the operations of the SSPC, as appropriate.
- x) In addition to Directions, the Welsh Ministers may from time-to-time issue guidance relating to the activities of the SSPC, which the Partners must take into account when exercising any function.
- xi) **The Health and Social Care (Quality and Engagement) (Wales) Act 2020 (2020 asc 1)** (the 2020 Act) makes provision for:
 - Ensuring NHS bodies and ministers think about the quality of health services when making decisions (the Duty of Quality);
 - Ensuring NHS bodies and primary care services are open and honest with patients, when something may have gone wrong in their care (the Duty of Candour);
 - The creations of a new Citizens Voice Body for Health and Social Care, Wales (to be known as Llais) to represent the views of and advocate for people across health and social care in respect of complaints about services; and
 - The appointment of statutory vice-chairs for NHS Trusts.

The act has been commenced at various stages with the final provision, relating to the preparation and publication of a code of practice regarding access to premises coming into effect in June 2023.

Local Health Boards will need ensure they comply with the provisions of the 2020 Act and the requirements of the statutory guidance.

The guidance outlines the responsibilities of Local Health Board when commissioning services for their population. NWSSP shall ensure they consider these responsibilities in the discharge of their duties.

The Duty of Quality statutory guidance 2023 can be found at <https://www.gov.wales/duty-quality-healthcare>

The NHS Duty of Candour statutory guidance 2023 can be found at <https://www.gov.wales/nhs-duty-candour>

- xii) Velindre shall issue an indemnity to the NWSSP Chair, on behalf of the Partners.

NHS Framework

- xiii) In addition to the statutory requirements set out above, the SSPC, on behalf of each of the Partners, must carry out all its business in a manner that enables it to contribute fully to the achievement of the Minister's vision for the NHS in Wales and its standards for public service delivery. The governance standards set for the NHS in Wales are based upon the Welsh Government's Citizen Centred Governance Principles. These principles provide the framework for good governance and embody the values and standards of behaviour that is expected at all levels of the service, locally and nationally.
- xiv) Adoption of the principles will better equip the SSPC to take a balanced, holistic view of its work and its capacity to deliver high quality, safe healthcare services on behalf of all citizens in Wales within the NHS framework set nationally.
- xv) The overarching NHS governance and accountability framework within which the SSPC must work incorporates Velindre's SOs; Annexes of Powers reserved for the Board and Delegation to others and SFIs, together with a range of other frameworks designed to cover specific aspects. These include the NHS Values and Standards of Behaviour Framework; the Health and Care Quality Standards 2023, , the NHS Risk and Assurance Framework, and the NHS planning and performance management systems.
- xvi) The Welsh Ministers, reflecting their constitutional obligations, have stated that sustainable development should be the central organising principle for the public sector and a core objective for the restructured NHS in all it does.
- xvii) Full, up to date details of the other requirements that fall within the NHS

framework – as well as further information on the Welsh Government’s Citizen Centred Governance principles - are provided on the NHS Wales Governance e-manual which can be accessed at: <http://www.wales.nhs.uk/governance-emanual/standing-orders>.

Directions or guidance on specific aspects of Trusts’ business are also issued in hard copy, usually under cover of a Ministerial letter.

Framework

- xviii) The specific governance and accountability arrangements established for the SSPC are set out within the following documents (which is not an exhaustive list):
- these SSPC SOs and Annexe 1: Scheme of Powers reserved for the SSPC and Delegation to others;
 - the Velindre University NHS Trust SFIs;
 - a Memorandum of Co-operation that defines the obligations of the Partners to participate in the SSPC and to take collective responsibility for the delivery of the services defining the respective roles of the Partners;
 - a Hosting Agreement between the Partners that provides for the terms on which Velindre will host NWSSP;
 - an Interface Agreement between the Chief Executive of Velindre (as the Accountable Officer for the organisation) and the Managing Director of Shared Services (as the Accountable Officer for NWSSP) that defines the respective roles of the two Accountable Officers; and
 - an Accountability Agreement between the Chair of the SSPC and the Managing Director of Shared Services (as the Accountable Officer for NWSSP).
- xix) Annexe 2 to these SOs provides details of the key documents that, together with these SOs, make up the SSPC’s governance and accountability framework. These documents must be read in conjunction with these SSPC SOs.
- xx) The SSPC may from time to time, subject to the prior approval of Velindre’s Board, agree operating procedures which apply to SSPC members and/or members of NWSSP staff and others. The decisions to approve these operating procedures will be recorded in an appropriate SSPC minute and, where appropriate, will also be considered to be an integral part of these SSPC SOs and SFIs. Details of the SSPC’s key operating procedures are also included in Annexe 2 of these SOs.

Applying Shared Services Standing Orders

- xxi) These SSPC SOs (together with the Velindre University NHS Trust SFIs

and other documents making up the governance and accountability framework) will, as far as they are applicable, also apply to meetings of any Sub-Committees established by the SSPC, including any Advisory Groups. These SSPC SOs may be amended or adapted for the Sub-Committees or Advisory Groups as appropriate, with the approval of the SSPC. Further details on Sub-Committees and Advisory Groups may be found in Annexes 3 and 4 of these NWSSP, respectively.

Full details of any non-compliance with these SSPC SOs, including an explanation of the reasons and circumstances must be reported in the first instance to the Assistant Director of Corporate Services, who will ask the Velindre Audit Committee to formally consider the matter and make proposals to the SSPC on any action to be taken. All SSPC members and SSPC officers have a duty to report any non-compliance to the Assistant Director of Corporate Services as soon as they are aware of any circumstance that has not previously been reported. **Ultimately, failure to comply with SSPC SOs is a disciplinary matter.**

Variation and amendment of SSPC Standing Orders

- xxii) Although SOs are subject to regular, annual review there may, exceptionally, be an occasion where the SSPC determines that it is necessary to vary or amend the SOs during the year. In these circumstances, the Chair of the SSPC, advised by the Assistant Director of Corporate Services, shall submit a formal report to the Velindre Trust Board, setting out the nature and rationale for the proposed variation or amendment. Such a decision may only be made if:
- Each of the SSPC members are in favour of the amendment; or
 - In the event that agreement cannot be reached, the Velindre Trust Board determine that the amendment should be approved.

Interpretation

- xxiii) During any SSPC meeting where there is doubt as to the applicability or interpretation of the SSPC SOs, the Chair of the SSPC shall have the final say, provided that their decision does not conflict with rights, liabilities or duties as prescribed by law. In doing so, the Chair should take appropriate advice from the Board Secretary support function.
- xxiv) The terms and provisions contained within these SOs aim to reflect those covered within all applicable health legislation. The legislation takes precedence over these SSPC SOs, when interpreting any term or provision covered by legislation.

Relationship with Velindre University NHS Trust Standing Orders

- xxv) These SSPC SOs form an Annexe to Velindre's own SOs and shall have effect as if incorporated within them.

The Role of the Board Secretary Support Function

- xxvi) The role of the Board Secretary support function is crucial to the ongoing development and maintenance of a strong governance framework within the SSPC and is a key source of advice and support to the Chair and SSPC members. Independent of the SSPC, the Board Secretary support function will act as the guardian of good governance within the SSPC and shall ensure that the functions outlined below are delivered:
- providing advice to the SSPC as a whole and to individual Committee members on all aspects of governance;
 - facilitating the effective conduct of SSPC business through meetings of the SSPC, its Sub-Committees and Advisory Groups;
 - ensuring that SSPC members have the right information to enable them to make informed decisions and fulfil their responsibilities in accordance with the provisions of these SOs;
 - ensuring that in all its dealings, the SSPC acts fairly, with integrity, and without prejudice or discrimination;
 - contributing to the development of an organisational culture that embodies NHS values and standards of behaviour; and
 - monitoring the SSPC's compliance with the law, Shared Services SOs and the framework set by Velindre and Welsh Ministers.
- xxvii) As advisor to the SSPC, the Board Secretary support function role does not affect the specific responsibilities of SSPC members for governing the Committee's operations. The Board Secretary Support role is directly accountable for the conduct of their role to the Chair of the SSPC and reports to the Managing Director of NWSSP on a regular basis.

2 RESERVATION AND DELEGATION OF SHARED SERVICES FUNCTIONS

Within the framework agreed by Velindre, and set out within these SSPC SOs, and subject to any directions that may be given by the Welsh Ministers, the SSPC may make arrangements for certain functions to be carried out on its behalf so that the day-to-day business of the SSPC may be carried out effectively and in a manner that secures the achievement of its aims and objectives. In doing so, the SSPC must set out clearly the terms and conditions upon which any delegation is being made.

The SSPC's determination of those matters that it will retain, and those that will be delegated to others shall be set out in a:

- i Scheme of matters reserved to the SSPC;

The SSPC retains full responsibility for any functions delegated to others to carry out on its behalf.

2.1 Chair's Action on Urgent Matters

2.1.1 There may, occasionally, be circumstances where decisions which would normally be made by the SSPC need to be taken between scheduled meetings, and it is not practicable to call a meeting of the SSPC. In these circumstances, the SSPC Chair and the Managing Director of NWSSP may deal with the matter on behalf of the SSPC - after first consulting with at least one other Health Board, Trust, or Special Health Authority Chief Executive (or their representative). The Assistant Director of Corporate Services must ensure that any such action is formally recorded and reported to the next meeting of the SSPC for consideration and ratification.

2.2 Delegation to Sub-Committees and Others

The Managing Director of NWSSP will still be accountable to the SSPC for all functions delegated to them, irrespective of any further delegation to other Velindre officers.

2.3.2 This must be considered and approved by the SSPC (subject to any amendment agreed during the discussion) and agreed by Velindre. The Managing Director of NWSSP may periodically propose amendment to the Scheme of Delegation and any such amendments must also be

considered and approved by the SSPC and agreed by Velindre.

2.3.3 Individual members of the NWSSP SLG are in turn responsible for delegation within their own teams in accordance with the framework established by the Managing Director of NWSSP and agreed by the SSPC and Velindre.

6 MEETINGS

6.1 Putting Citizens first

The Statutory Guidance on Representations made by the Citizen Voice Body can be found at

<https://www.gov.wales/sites/default/files/publications/2023-04/statutory-guidance-on-representations-made-by-the-citizen-voice-body.pdf>

6.4.2 If the Chair does not call a meeting within seven days after receiving such a request from SSPC members, then those SSPC members may themselves call a meeting.

6.5 Preparing for Meetings

Setting the agenda

- 6.5.1 The SSPC Chair, in consultation with the Committee Secretariat and Managing Director of NWSSP, will set the agenda. In doing so, they will take account of the planned activity set in the annual cycle of SSPC business; any standing items agreed by the SSPC; any applicable items received from Sub-Committees and other groups as well as the priorities facing the SSPC. The SSPC Chair must ensure that all relevant matters are brought before the SSPC on a timely basis.
- 6.5.2 Any SSPC member may request that a matter is placed on the agenda by writing to the SSPC Chair, copied to the Committee Secretariat, at least 12 calendar days before the meeting. The request shall set out whether the item of business is proposed to be transacted in public and shall include appropriate supporting information. The Chair may, at their discretion, include items on the agenda that have been requested after the 12-day notice period if this would be beneficial to the conduct of SSPC business.

Notifying and equipping SSPC members

- 6.5.3 SSPC members should be sent an agenda and a complete set of supporting papers at least 10 calendar days before a formal SSPC meeting. This information may be provided to SSPC members electronically or in paper form, in an accessible format, to the address provided, and in accordance with their stated preference. Supporting papers may, exceptionally, be provided after this time, provided that the SSPC Chair is satisfied that the SSPC's ability to consider the issues contained within the paper would not be impaired.
- 6.5.4 No papers should be included for decision by the SSPC unless the SSPC Chair is satisfied (subject to advice from the Committee Secretariat, as appropriate) that the information contained within it is sufficient to enable the SSPC to take a reasonable decision. Equality Integrated Impact Assessments (EqIIAs) shall be undertaken on all new or revised policies, strategies, guidance and or practice to be considered by the SSPC, and the outcome of that EqIIA shall be included within the report to the SSPC, to enable the SSPC to make an informed decision.
- 6.5.5 In the event that at least half of the SSPC members do not receive the agenda and papers for the meeting as set out above, the SSPC Chair must consider whether or not the SSPC would still be capable of fulfilling its role and meeting its responsibilities through the conduct of the meeting. Where the SSPC Chair determines that the meeting should go ahead, their decision, and the reason for it, shall be recorded in the minutes.

6.5.6 In the case of a meeting called by SSPC members, notice of that meeting must be signed by those members and the business conducted will be limited to that set out in the notice.

Notifying the public and others

6.5.7 Except for meetings called in accordance with SSPC Standing Order 6.4, at least 10 calendar days before each meeting of the SSPC a public notice of the time and place of the meeting, and the public part of the agenda, shall be displayed bilingually (in English and Welsh):

- at the SSPC's principal sites;
- on the SSPC's website, together with the papers supporting the public part of the agenda; as well as
- through other methods of communication as set out in the SSPC's communication strategy.

6.5.8 When providing notification of the forthcoming meeting, the SSPC shall set out when and how the agenda and the papers supporting the public part of the agenda may be accessed, in what language and in what format, e.g. as Braille, large print, easy read, etc.

6.6 Conducting Meetings Admission of the public, the press and other observers

6.6.1 The SSPC shall encourage attendance at its formal SSPC meetings by the public and members of the press as well as officers or representatives from organisations who have an interest in the business of the SSPC. The venue for such meetings must be appropriate to facilitate easy access for attendees and translation services; and should have appropriate facilities to maximise accessibility such as an induction loop system.

6.6.2 The SSPC shall conduct as much of its formal business in public as possible. There may be circumstances where it would not be in the public interest to discuss a matter in public, e.g. business that relates to a confidential matter affecting a NWSSP officer, a patient, or a procurement contract. In such cases, the Chair (advised by the NWSSP Assistant Director of Corporate Services, where appropriate) shall Annex these issues accordingly and requires that any observers withdraw from the meeting. In doing so, the SSPC shall resolve:

"That representatives of the press and other members of the public be excluded from the remainder of this meeting having regard to the

confidential nature of the business to be transacted, publicity on which would be prejudicial to the public interest" [Section 1(2) Public Bodies (Admission to Meetings) Act 1960].

6.6.3 In these circumstances, when the SSPC is not meeting in public session, it shall operate in private session, formally reporting any decisions taken to the next meeting of the SSPC in public session. Wherever possible, that reporting shall take place at the end of a private session, by reconvening a SSPC meeting held in public session.

6.6.4 The NWSSP Assistant Director of Corporate Services, on behalf of the SSPC Chair, shall keep under review the nature and volume of business conducted in private session to ensure such arrangements are adopted only when absolutely necessary.

6.6.5 In encouraging entry to formal SSPC meetings from members of the public and others, the SSPC shall make clear that attendees are welcomed as observers. The SSPC Chair shall take all necessary steps to ensure that the SSPC's business is conducted without interruption and disruption. In exceptional circumstances, this may include a requirement that observers leave the meeting. In doing so, the SSPC shall resolve:

"That in the interests of public order the meeting adjourn for (the period to be specified) to enable the SSPC to reconvene the meeting and to complete business without the presence of the public".

6.6.6 Unless the SSPC has given prior and specific agreement, members of the public or other observers will not be allowed to record proceedings in any way other than in writing.

Addressing the SSPC, its Sub-Committees, Expert Panel or Advisory Groups

6.6.7 The SSPC shall decide what arrangements and terms and conditions are appropriate in extending an invitation to observers to attend and address any meetings of the SSPC, its Sub-Committees, expert panel, or Advisory Groups, and may change, alter, or vary these terms and conditions as it considers appropriate. In doing so, the SSPC will take account of its responsibility to actively encourage the engagement and, where appropriate, involvement of citizens and stakeholders in the work of the SSPC (whether directly or through the activities of bodies such as Llais) and to demonstrate openness and transparency in the conduct of business.

Chairing SSPC Meetings

6.6.8 The Chair of the SSPC will preside at any meeting of the SSPC unless they are absent for any reason (including any temporary absence or disqualification from participation on the grounds of a conflict of interest). In these circumstances the Vice Chair shall preside. If both the Chair and Vice-Chair are absent, then no formal business shall take place.

6.6.9 The Chair must ensure that the meeting is handled in a manner that enables the SSPC to reach effective decisions on the matters before it. This includes ensuring that SSPC members' contributions are timely and relevant and move business along at an appropriate pace. In doing so, the SSPC must have access to appropriate advice on the conduct of the meeting through the attendance of the Assistant Director of Corporate Services. The Chair has the final say on any matter relating to the conduct of SSPC business.

Quorum

6.6.10 At least 6 voting members, at least 4 of whom are Health Board, Trust, or Special Health Authority Chief Executives (or their nominated representatives) and one is either the Chair or the Vice Chair, must be present to allow any formal business to take place at an SSPC meeting. If the Managing Director of NWSSP is not present, then no formal business should be transacted unless there is, in attendance, a properly authorised deputy for the Managing Director.

6.6.11 If a Health Board, Trust, or Special Health Authority Chief Executive (or their nominated representative) or the Managing Director of NWSSP is unable to attend a SSPC meeting, then a nominated deputy may attend in their absence which should be an Executive Director of the same organisation and will formally contribute to the quorum and have delegated voting rights, provided that the Chair has agreed the nomination before the meeting.

6.6.12 The quorum must be maintained during a meeting to allow formal business to be conducted, i.e. any decisions to be made. Any SSPC member disqualified through conflict of interest from participating in the discussion on any matter and/or from voting on any resolution will no longer count towards the quorum. If this results in the quorum not being met that particular matter or resolution cannot be considered further at that meeting and must be noted in the minutes. A member may participate in a meeting via video or teleconference where this is available.

Dealing with Motions

6.6.13 In the normal course of SSPC business items included on the agenda are subject to discussion and decisions based on consensus. Considering a motion is therefore not a routine matter and may be regarded as exceptional, e.g. where an aspect of service delivery is a cause for particular concern, a SSPC member may put forward a motion proposing that a formal review of that service area is undertaken. The Board Secretary support role will advise the Chair on the formal process for dealing with motions. No motion or amendment to a motion will be considered by the SSPC unless moved by a SSPC member and seconded by another SSPC member (including the SSPC Chair).

6.6.14 **Proposing a formal notice of Motion** – Any SSPC member wishing to propose a motion must notify the SSPC Chair in writing of the proposed motion at least 12 calendar days before a planned meeting. Exceptionally, an emergency motion may be proposed up to one hour before the fixed start of the meeting, provided that the reasons for the urgency are clearly set out. Where sufficient notice has been provided, and the SSPC Chair has determined that the proposed motion is relevant to the SSPC’s business, the matter shall be included on the agenda, or, where an emergency motion has been proposed, the SSPC Chair shall declare the motion at the start of the meeting as an additional item to be included on the agenda.

6.6.15 The SSPC Chair also has the discretion to accept a motion proposed during a meeting provided that the matter is considered of sufficient importance and its inclusion would not adversely affect the conduct of SSPC business.

6.6.16 **Amendments** - Any SSPC member may propose an amendment to the motion at any time before or during a meeting and this proposal must be considered by the SSPC alongside the motion.

6.6.17 If there are a number of proposed amendments to the Motion, each amendment will be considered in turn, and if passed, the amended Motion becomes the basis on which the further amendments are considered, i.e. the substantive motion.

6.6.18 **Motions under discussion** – When a motion is under discussion, any SSPC member may propose that:

- the motion be amended;
- the meeting should be adjourned;
- the discussion should be adjourned and the meeting proceed to the next item of business;
- a SSPC member may not be heard further;
- the SSPC decides upon the motion before them;

- an ad hoc committee should be appointed to deal with a specific item of business; or
- The public, including the press, should be excluded.

6.6.19 Rights of reply to motions – The mover of a motion (including an amendment) shall have a right of reply at the close of any debate on the motion or the amendment immediately prior to a vote on the proposal.

6.6.20 Withdrawal of Motion or Amendments – A motion or an amendment to a motion, once moved and seconded, may be withdrawn by the proposer with the agreement of the seconded and the SSPC Chair.

6.6.21 Motion to rescind a resolution – The SSPC may not consider a motion to amend or rescind any resolution (or the general substance of any resolution) which has been passed within the preceding six (6) calendar months unless the motion is supported by the (simple) majority of SSPC members.

6.6.22 A motion that has been decided upon by the SSPC cannot be proposed again within six months except by the SSPC Chair, unless the motion relates to the receipt of a report or the recommendations of a Sub-Committee/Managing Director of NWSSP to which a matter has been referred.

Voting

6.6.23 The SSPC Chair will determine whether SSPC members' decisions should be expressed orally, through a show of hands, or by secret ballot or by recorded vote. The SSPC Chair must require a secret ballot if the majority of voting SSPC members request it. Where voting on any question is conducted, a record shall be maintained. In the case of a secret ballot the decision shall record the number voting for, against or abstaining. Where a recorded vote has been used the minutes shall record the name of the individual and the way in which they voted.

6.6.24 In determining every question at a meeting, the SSPC members must take account, where relevant, of the views expressed and representations made by individuals who represent the interests of citizens in Wales. Such views may be presented to the SSPC through the Chairs of any Expert Panel, Advisory Group and/or the Llais representative(s).

6.6.25 Except for decisions related to the overall funding contribution from each of the Health Boards, Trusts, or Special Health Authority, the SSPC will make decisions subject to a 2/3 majority of voting. In no circumstances may an absent SSPC member (or their nominated deputy) vote by proxy. Absence is defined as being absent at the time of the vote.

6.7 Record of Proceedings

6.7.1 A record of the proceedings of formal SSPC meetings (and any other meetings of the SSPC where the SSPC members determine) shall be drawn up as 'minutes'. These minutes shall include a record of SSPC member attendance (including the SSPC Chair) together with apologies for absence and shall be submitted for agreement at the next meeting of the SSPC, where any discussion shall be limited to matters of accuracy. Any agreed amendment to the minutes must be formally recorded.

6.7.2 Agreed minutes shall be circulated in accordance with SSPC members' wishes, and, where providing a record of a formal SSPC meeting shall be made available to the public on the NWSSP website and in hard copy or other accessible format on request, in accordance with any legislative requirements, e.g. Data Protection Act, the SSPC's Communication Strategy and Velindre's Welsh Language Scheme.

6.8 Confidentiality

6.8.1 All SSPC members, together with members of any Sub-Committee, Expert Panel or Advisory Group established by or on behalf of the SSPC and SSPC members and/or Health Board/Trust/Special Health Authority officials must respect the confidentiality of all matters considered by the SSPC in private session or set out in documents which are not publicly available. Disclosure of any such matters may only be made with the express permission of the SSPC Chair or relevant Sub-Committee or group, as appropriate, and in accordance with any other requirements set out elsewhere, e.g. in contracts of employment, within the Standards of Behaviour Framework or legislation such as the Freedom of Information Act 2000, etc.

7 VALUES AND STANDARDS OF BEHAVIOUR

The SSPC must operate within a set of values and standards of behaviour that meets the requirements of the NHS Wales Values and Standards of Behaviour Framework. These values and standards of behaviour will apply to all those conducting business by or on behalf of the SSPC, including SSPC members, Velindre NWSSP officers and others, as appropriate. The Framework adopted by the SSPC will form part of these SOs.

7.1 Declaring and Recording Members' Interests

- 7.1.1 Declaration of interests** – It is a requirement that all SSPC members should declare any personal or business interests they may have which may affect, or be perceived to affect, the conduct of their role as a SSPC member. This includes any interests that may influence or be perceived to influence their judgement in the course of conducting the SSPC’s business. SSPC members must be familiar with the Values and Standards of Behaviour Framework and their statutory duties under the relevant Constitution Regulations. SSPC members must notify the SSPC of any such interests at the time of their appointment, and any further interests as they arise throughout their tenure as SSPC members.
- 7.1.2 SSPC members must also declare any interests held by family members or persons or bodies with which they are connected. The NWSSP Assistant Director of Corporate Services will provide advice to the SSPC Chair and the SSPC on what should be considered as an ‘interest’, taking account of the regulatory requirements and any further guidance, e.g. the Values and Standards of Behaviour Framework. If individual SSPC members are in any doubt about what may be considered as an interest, they should seek advice from the NWSSP Assistant Director of Corporate Services. However, the onus regarding declaration will reside with the individual SSPC member.
- 7.1.3 Register of interests** – The Managing Director of NWSSP, through the NWSSP Assistant Director of Corporate Services, will ensure that a Register of Interests is established and maintained as a formal record of interests declared by all SSPC members. The register will include details of all Directorships and other relevant and material interests which have been declared by SSPC members.
- 7.1.4 The register will be held by the NWSSP Assistant Director of Corporate Services, and will be updated during the year, as appropriate, to record any new interests, or changes to the interests declared by SSPC members. The NWSSP Assistant Director of Corporate Services will also arrange an annual review of the register, through which SSPC members will be required to confirm the accuracy and completeness of the register relating to their own interests.
- 7.1.5 In line with the SSPC’s commitment to openness and transparency, the NWSSP Assistant Director of Corporate Services must take reasonable steps to ensure that citizens served by the SSPC are made aware of and have access to view the Register of Interests. This will include publication on the NWSSP website.
- 7.1.6 Publication of declared interests in Annual Review** – SSPC members’ directorships of companies or positions in other organisations likely or

possibly seeking to do business with the NHS shall be published in each Shared Services' Annual Review.

7.2 Dealing with Members' interests during Shared Services Partnership

Committee meetings

7.2.1 The SSPC Chair, advised by the NWSSP Assistant Director of Corporate Services, must ensure that the SSPC's decisions on all matters brought before it are taken in an open, balanced, objective and unbiased manner. In turn, individual board members must demonstrate, through their actions, that their contribution to the SSPC's decision making is based upon the best interests of the NHS in Wales. This is particularly important as there is an inherent tension in a member's role on the SSPC and as a member of the Board of a Health Board, Trust, or Special Health Authority.

7.2.2 Where individual SSPC members identify an interest in relation to any aspect of SSPC business set out in the SSPC's meeting agenda, that member must declare an interest at the start of the SSPC meeting. SSPC members should seek advice from the SSPC Chair, through the NWSSP Assistant Director of Corporate Services before the start of the SSPC meeting if they are in any doubt as to whether they should declare an interest at the meeting. All declarations of interest made at a meeting must be recorded in the SSPCs minutes.

7.2.3 It is the responsibility of the SSPC Chair, on behalf of the SSPC, to determine the action to be taken in response to a declaration of interest, taking account of any regulatory requirements or directions given by the Welsh Ministers. The range of possible actions may include determination that:

- i the declaration is formally noted and recorded, but that the SSPC member should participate fully in the SSPC's discussion and decision, including voting
- ii the declaration is formally noted and recorded, and the SSPC member participates fully in the SSPC's discussion, but takes no part in the SSPC's decision;
- iii the declaration is formally noted and recorded, and the SSPC member takes no part in the SSPC discussion or decision;
- iv the declaration is formally noted and recorded, and the SSPC member is excluded for that part of the meeting when the matter is being discussed. A SSPC member must be excluded, where that member has a direct or indirect financial interest in a matter being considered by the SSPC.

7.2.4 In extreme cases, it may be necessary for the member to reflect on whether their position as a SSPC member is compatible with an identified conflict of interest.

7.2.5 Where the SSPC Chair is the individual declaring an interest, any decision on the action to be taken shall be made by the Vice Chair, on behalf of the SSPC.

7.2.6 In all cases the decision of the SSPC Chair (or the Vice Chair in the case of an interest declared by the SSPC Chair) is binding on all SSPC members. The SSPC Chair should take advice from the NWSSP Assistant Director of Corporate Services when determining the action to take in response to declared interests; taking care to ensure their exercise of judgement is consistently applied.

7.2.7 **Members with pecuniary (financial) interests** – Where a SSPC member, or any person they are connected with¹ has any direct or indirect pecuniary interest in any matter being considered by the SSPC including a contract or proposed contract, that member must not take part in the consideration or discussion of that matter or vote on any question related to it. The SSPC may determine that the SSPC member concerned shall be excluded from that part of the meeting.

7.2.8 The Membership Regulations define ‘direct’ and ‘indirect’ pecuniary interests, and these definitions always apply when determining whether a member has an interest. These SSPC SOs must be interpreted in accordance with these definitions.

7.2.9 **Members with Professional Interests** – During the conduct of a SSPC meeting, an individual SSPC member may establish a clear conflict of interest between their role as a SSPC member and that of their professional role outside of the SSPC. In any such circumstance, the SSPC shall take action that is proportionate to the nature of the conflict, taking account of the advice provided by the NWSSP Assistant Director of Corporate Services.

7.3 Dealing with Officers’ Interests

7.3.1 The SSPC must ensure that the NWSSP Assistant Director of Corporate Services, on behalf of the Managing Director of NWSSP, establishes and maintains a system for the declaration, recording and handling of

¹ In the case of persons who are married to each other or in a civil partnership with each other or who are living together as if married or civil partners, the interest of one person shall, if known to the other, be deemed for the purpose of this Standing Order to be also an interest of the other

NWSSP officers' interests in accordance with the Standards of Behaviour Framework.

7.4 Reviewing How Interests are Handled

7.4.1 The SSPC's Audit Committee will review and report to the Health Boards, Trusts, and Special Health Authority upon the adequacy of the arrangements for declaring, registering and handling interests at least annually.

7.5 Dealing with Offers of Gifts² and Hospitality

7.5.1 The Committee will adopt the Values and Standards of Behaviour Framework Policy of Velindre University NHS Trust, which prohibits SSPC members and NWSSP officers from receiving gifts, hospitality or benefits in kind from a third party which may reasonably give rise to suspicion of conflict between their official duty and their private interest or may reasonably be seen to compromise their personal integrity in any way.

7.5.2 Gifts, benefits, or hospitality must never be solicited. Any SSPC member or NWSSP officer who is offered a gift, benefit or hospitality which may or may be seen to compromise their position must refuse to accept it. This may in certain circumstances also include a gift, benefit or hospitality offered to a family member of a SSPC member or NWSSP officer. Compliance with the Velindre University NHS Trust Standards of Behaviour Framework is mandatory for all Trust employees.

7.5.3 In determining whether any offer of a gift or hospitality should be accepted, an individual must make an active assessment of the circumstances within which the offer is being made, seeking advice from the NWSSP Assistant Director of Corporate Services as appropriate. In assessing whether an offer should be accepted, individuals must take into account:

- **Relationship:** Contacts which are made for the purpose of information gathering are generally less likely to cause problems than those which could result in a contractual relationship, in which case, accepting a gift or hospitality could cause embarrassment or be seen as giving rise to an obligation;
- **Legitimate Interest:** Regard should be paid to the reason for the contact on both sides and whether it is a contact that is likely to benefit the SSPC;

- **Value:** Gifts and benefits of a trivial or inexpensive seasonal nature, e.g. diaries/calendars, are more likely to be acceptable and can be distinguished from more substantial offers. Similarly, hospitality in the form of a working lunch would not be treated in the same way as more expensive social functions, travel, or accommodation (although in some circumstances these may also be accepted);
- **Frequency:** Acceptance of frequent or regular invitations particularly from the same source would breach the required standards of conduct. Isolated acceptance of, for example, meals, tickets to public, sporting, cultural or social events would only be acceptable if attendance is justifiable in that it benefits the SSPC; and
- **Reputation:** If the body concerned is known to be under investigation by or has been publicly criticised by a public body, regulators or inspectors, acceptance of a gift or hospitality might be seen as supporting the body or affecting in some way the investigation or negotiations and it must always be declined.

7.5.4 A distinction shall be drawn between items offered as hospitality and items offered in substitution for fees for broadcasts, speeches, lectures, or other work done. There may be circumstances where the latter may be accepted if they can be used for official purposes.

7.6 Register of Gifts and Hospitality

7.6.1 The NWSSP Assistant Director of Corporate Services, on behalf of the SSPC Chair, will maintain a Register of Gifts and Hospitality to record offers of gifts and hospitality made to SSPC members. NWSSP Director of Finance and Corporate Services together with Heads of Service, will adopt the Velindre University NHS Trust Policy on Gifts and Hospitality in relation to NWSSP officers working within their areas.

7.6.2 Every SSPC member and NWSSP officer has a personal responsibility to volunteer information in relation to offers of gifts and hospitality made in their capacity as SSPC members, including those offers that have been refused. The NWSSP Assistant Director of Corporate Services, on behalf of the SSPC Chair and Managing Director of NWSSP, will ensure the incidence and patterns of offers and receipt of gifts and hospitality is kept under active review, taking appropriate action where necessary.

7.6.3 When determining what should be included in the register, NWSSP Officers must apply the principles as set out in the Velindre University NHS Trust Policy on gifts and hospitality.

7.6.4 SSPC members and NWSSP officers may accept the occasional offer of modest and proportionate hospitality but in doing so must consider whether the following conditions are met:

- acceptance would further the aims of the SSPC;
- the level of hospitality is reasonable in the circumstances;
- it has been openly offered; and,
- it could not be construed as any form of inducement and will not put the individual under any obligation to those offering it.

7.6.5 The NWSSP Assistant Director of Corporate Services will arrange for a full report of all offers of Gifts and Hospitality recorded by the SSPC to be submitted to Velindre's Audit Committee at least annually. The Audit Committee will then review and report to the SSPC and the Velindre Trust Board upon the adequacy of the SSPC's arrangements for dealing with offers of gifts and hospitality.

7.6.6 Detailed arrangements for the handling of gifts and hospitality are set out within the Velindre University NHS Trust Standards of Behaviour Framework and its policy on Gifts and Hospitality.

8 SIGNING AND SEALING DOCUMENTS

The Common Seal of NWSSP's host is primarily used to seal legal documents such as transfers of land, lease agreements and other important/key contracts. The seal may only be fixed to a document if the Board has determined it shall be sealed, or if a transaction to which the document relates has been approved by the Board.

Where the Velindre Trust Board has decided that a NWSSP document shall be sealed it shall be fixed in the presence of the Chair or Vice Chair (or other authorised Independent Member) and the Chief Executive (or another authorised individual) both of whom witness the seal.

8.1 Register of Sealing

8.1.1 The NWSSP Assistant Director of Corporate Services shall keep a register that records the sealing of every NWSSP document. Each entry must be signed by the person who approved and authorised the document and who witnessed the seal. A report of all sealing shall be presented to the SSPC at least biennially.

8.2 Signature of Documents

8.2.1 Where a signature is required for any document connected with legal proceedings involving the NWSSP, it shall normally be signed by the Managing Director, except where the SSPC has been otherwise directed to allow or require another person to provide a signature.

8.2.2 The Managing Director or nominated officers may be authorised by the SSPC to sign on behalf of the NWSSP any agreement or other document (not required to be executed as a deed) where the subject matter has been approved by the SSPC.

8.3 Custody of Seal

8.3.1 The Common Seal of NWSSP's host is kept securely by the Board [Secretary.at](#) Velindre University NHS Trust.

9 GAINING ASSURANCE ON THE CONDUCT OF BUSINESS

The SSPC shall set out explicitly, within a Risk and Assurance Framework, how it will gain assurance, and how it will in turn provide assurance to Velindre on the conduct of SSPC business, its governance, and the effective management of risks in pursuance of its aims and objectives. It shall set out clearly the various sources of assurance, and where and when that assurance will be provided, in accordance with any requirements determined by the Welsh Ministers.

The SSPC shall ensure that its assurance arrangements are operating effectively, advised by Velindre's Audit Committee.

9.1 The Role of Internal Audit in Providing Independent Internal assurance

9.1.1 The SSPC shall ensure the effective provision of an independent internal audit function as a key source of its internal assurance arrangements, in accordance with NHS Wales Internal Auditing Standards and any other requirements determined by the Welsh Ministers.

9.1.2 The SSPC shall set out the relationship between the Head of Internal Audit (HIA), the Audit Committee (or equivalent) and the SSPC. It shall:

- Approve the Internal Audit Charter (incorporating the definition of internal audit) and adopt the Internal Auditing Standards (incorporating the code of ethics);
- Ensure the HIA communicates and interacts directly with the Audit Committee facilitating direct and unrestricted access;
- Require Internal Audit to confirm its independence annually; and

- Ensure that the Head of Internal Audit reports periodically to the SSPC on its activities, including its purpose, authority, responsibility and performance. Such reporting will include governance issues and significant risk exposures.

9.2 Reviewing the Performance of the , its Sub-Committees, Expert Panel and Advisory Groups

9.2.1 The SSPC shall introduce a process of regular and rigorous self-assessment and evaluation of its own operations and performance and that of its Sub-Committees, Expert Panel, and any other Advisory Groups. Where appropriate, the SSPC may determine that such evaluation may be independently facilitated.

9.2.2 Each Sub-Committee and, where appropriate, Expert Panel and any other Advisory Group must also submit an annual report to the SSPC through the Chair within 1 month of the end of the reporting year setting out its activities during the year and including the review of its performance and that of any sub-groups it has established.

9.2.3 The SSPC shall use the information from this evaluation activity to inform:

- the ongoing development of its governance arrangements, including its structures and processes;
- its Committee Development Programme, as part of an overall Organisation Development framework; and
- inform its Partners through its annual report of its alignment with the Assembly Government's Citizen Centred Governance Principles, completed as part of its ongoing review and reporting arrangements.

9.3 External Assurance

9.3.1 The SSPC shall ensure it develops effective working arrangements and relationships with those bodies that have a role in providing independent, external assurance to the public and others on its operations, e.g. Audit Wales and Healthcare Inspectorate Wales.

9.3.2 The SSPC may be assured, from the work carried out by external audit and others, on the adequacy of its own assurance framework, but that external assurance activity shall not form part of, or replace its own internal assurance arrangements, except in relation to any additional work that the SSPC itself may commission specifically for that purpose.

9.3.3 The SSPC shall keep under review and ensure that, where appropriate, the SSPC implements any recommendations relevant to its business

made by the Welsh Government Audit and Risk Assurance Committee, the Public Accounts Committee, or other appropriate bodies.

9.3.4 The SSPC shall provide the Auditor General for Wales with assistance, information, and explanation which the Auditor General thinks necessary for the discharge of their statutory powers and responsibilities under section 145 of and paragraph 17 to Annexe 8 to the Government of Wales Act 2006 (C.42).

10 DEMONSTRATING ACCOUNTABILITY

10.1.1 Taking account of the arrangements set out within these SSPC SOs, the SSPC shall demonstrate to its Partners, citizens, and other stakeholders and to Velindre, as host, a clear framework of accountability within which it:

- conducts its business internally;
- works collaboratively with NHS colleagues, partners, service providers and others; and
- responds to the views and representations made by those who represent the interests of the citizens it serves and its own NWSSP officers.

10.1.2 The SSPC shall also facilitate effective scrutiny of its operations through the publication of regular reports on activity and performance, including publication of an Annual Report of the SSPC.

10.1.3 The SSPC shall also facilitate effective scrutiny of NWSSP's operations through the publication of regular reports on activity and performance, including publication of an Annual Review document providing a summary of annual performance.

10.1.4 The SSPC shall ensure that within the NWSSP staff, individuals at all levels are supported in their roles, and held to account for their personal performance through effective performance management arrangements.

11 SUPPORT FOR THE

11.1.1 The NWSSP Assistant Director of Corporate Services, on behalf of the SSPC Chair, will ensure that the SSPC is properly equipped to carry out its role by:

- overseeing the process of nomination and appointment to the SSPC;
- co-ordinating and facilitating appropriate induction and organisational development activity;

- ensuring the provision of governance advice and support to the SSPC Chair on the conduct of its business and its relationship with its partners, Velindre, as the host and others;
- ensuring the provision of secretariat support for SSPC meetings;
- ensuring that the SSPC receives the information it needs on a timely basis;
- ensuring strong links to communities/groups;
- ensuring an effective relationship between the SSPC and Velindre as its host; and
- facilitating effective reporting to each Health Board, Trust, and Special Health Authority

thereby enabling each Health Board, Trust, and Special Health Authority's Board to gain assurance on the conduct of business carried out by SSPC on their behalf.

12 REVIEW OF STANDING ORDERS

12.1.1 These SSPC SOs shall be reviewed annually by the SSPC, which shall report any proposed amendments to the Velindre Trust Board for consideration. The requirement for review extends to all documents having the effect as if incorporated in SSPC SOs, including the Equality Integrated Impact Assessment.

Standing Orders**

MODEL SCHEME OF RESERVATION AND DELEGATION OF POWERS

As set out in Standing Order 2, the SSPC - subject to any directions that may be made by the Welsh Ministers - shall make appropriate arrangements for certain functions to be carried out on its behalf so that the day-to-day business of the NWSSP may be carried out effectively, and in a manner that secures the achievement of the organisation's aims and objectives. The SSPC may delegate functions to:

- i A Committee, e.g., Audit Committee;
- ii A Sub-Committee,
- iii A Joint-Committee or Joint Sub-Committee, e.g., with other Health Boards established to take forward matters relating to specialist services; and
- iv Officers of NWSSP (who may, subject to the SSPC's authority, delegate further to other officers and, where appropriate, other third parties, e.g. shared/support services, through a formal scheme of delegation)

and in doing so, must set out clearly the terms and conditions upon which any delegation is being made. These terms and conditions must include a requirement that the SSPC is notified of any matters that may affect the operation and/or reputation of NWSSP.

The Board's determination of those matters that it will retain, and those that will be delegated to others are set out in the following:

- Annexe of matters reserved to SSPC;
- Scheme of delegation to Committees and others; and
- Scheme of delegation to officer.

all of which form part of the SSPC's SOs.

DECIDING WHAT TO RETAIN AND WHAT TO DELEGATE: GUIDING PRINCIPLES

The SSPC will take full account of the following principles when determining those matters that it reserves, and those which it will delegate to others to carry out on its behalf:

- Everything is retained by the SSPC unless it is specifically delegated in accordance with the requirements set out in SOs or SFIs.
- The SSPC must retain that which it is required to retain (whether by statute or as determined by the Welsh Ministers) as well as that which it considers is essential to enable it to fulfil its role in setting the organisation's direction, equipping the organisation to deliver and ensuring achievement of its aims and objectives through effective performance management.
- Any decision made to delegate functions must be based upon an assessment of the capacity and capability of those to whom it is delegating responsibility.
- The SSPC must ensure that those to whom it has delegated powers (whether a Committee, partnership or individuals) remain equipped to deliver on those responsibilities through an ongoing programme of personal, professional and organisational development.
- The SSPC must take appropriate action to assure itself that all matters delegated are effectively carried out.
- The framework of delegation will be kept under active review and, where appropriate, will be revised to take account of organisational developments, review findings or other changes.
- Except where explicitly set out, the SSPC retains the right to decide upon any matter for which it has responsibility, even if that matter has been delegated to others.
- The SSPC may delegate authority to act, but retains overall responsibility and accountability.
- When delegating powers, the SSPC will determine whether (and the extent to which) those to whom it is delegating will, in turn, have powers to further delegate those functions to others.

HANDLING ARRANGEMENTS FOR THE RESERVATION AND DELEGATION OF POWERS: WHO DOES WHAT

The (SSPC)

The SSPC will formally agree, review and, where appropriate revise Annexes of reservation and delegation of powers in accordance with the guiding principles set out earlier.

The Managing Director

The Managing Director will propose a Scheme of Delegation to officers, setting out the functions they will perform personally, and which functions will be delegated to other officers. The SSPC must formally agree this scheme.

In preparing the scheme of delegation to officers, the Managing Director will take account of:

- The guiding principles set out earlier (including any specific statutory responsibilities designated to individual roles);
- Their personal responsibility and accountability to the Chief Executive, NHS Wales in relation to their role as designated Accountable Officer; and
- Associated arrangements for the delegation of financial authority to equip officers to deliver on their delegated responsibilities (and set out in SFIs).

The Managing Director may re-assume any of the powers they have delegated to others at any time.

Board Secretary Governance Support/The NWSSP Assistant Director of Corporate Services

The Board Secretary Governance Support/the NWSSP Assistant Director of Corporate Services will support the SSPC in its handling of reservations and delegations by ensuring that:

- A proposed Annexe of matters reserved for decision by the SSPC is presented to the SSPC for its formal agreement;
- Effective arrangements are in place for the delegation of NWSSP's functions within the organisation and to others, as appropriate; and
- Arrangements for reservation and delegation are kept under review and presented to the SSPC, Audit Committee and Velindre University NHS Trust Board for revision and approval, as appropriate.

The Velindre University NHS Trust Audit Committee for NWSSP

The Velindre University NHS Trust Audit Committee for NWSSP will provide assurance to the SSPC and Velindre University NHS Trust Board of the effectiveness of its arrangements for handling reservations and delegations.

Individuals to whom powers have been delegated will be personally responsible for:

- Equipping themselves to deliver on any matter delegated to them, through the conduct of appropriate training and development activity; and
- Exercising any powers delegated to them in a manner that accords with the Velindre University NHS Trust's values and standards of behaviour.

Where an individual does not feel that they are equipped to deliver on a matter delegated to them, they must notify the Board Secretary providing governance support to the SSPC of their concern, as soon as possible, so that an appropriate and timely decision may be made on the matter.

In the absence of an officer to whom powers have been delegated, those powers will normally be exercised by the individual to whom that officer reports, unless the SSPC has set out alternative arrangements.

SCOPE OF THESE ARRANGEMENTS FOR THE RESERVATION AND DELEGATION OF POWERS

The Scheme of Delegation to officers referred to here shows only the "top level" of delegation within NWSSP. The Scheme is to be used in conjunction with the system of control and other established procedures within NWSSP.

1. Background

1.01 On 1 April 2019, the National Health Service Clinical Negligence Scheme Wales Regulations 2019 came into force. The Regulations create a Scheme for Clinical Negligence Claims in Wales and were brought into force inter alia for the management of clinical negligence claims against primary care providers in Wales, operating under sections 41, 42 and 50 of the National Health Service Wales Act 2006.

1.02 The scheme is operated by NHS Wales Shared Service Partnership (NWSSP) through Legal and Risk Services with the support of WRP using its powers as a shared service function under the Velindre National Health Service Trust Shared Services Committee (Wales) Regulations 2012.

1.03 NWSSP has responsibility for the administration of the Welsh Risk Pool Service including the management of the Welsh Risk Pool Budget.

1.04 The aim of the WRPS budget management is to align the financial governance relating to claims and Redress cases with the corporate and quality governance agenda.

1.05 The Welsh Risk Pool Services has responsibility for reimbursement of claims over £25,000 (the £25,000 threshold does not apply to GMPI matters) and reimbursement of permitted costs and damages arising from Redress cases. It is also required to have effective processes for ensuring that NHS Wales learns from events to limit the risk of recurrence and improve the quality and safety for both patients and staff.

1.06 In line with standing orders the Committee has resolved to establish a sub-committee to be known as the Welsh Risk Pool Committee (WRPC). The WRPC is a sub-committee of the NWSSP Committee and has no executive powers, other than those specifically delegated in these Terms of Reference.

3. Velindre University NHS Trust Audit Committee for NHS Wales Shared Services Partnership - Terms of Reference

1. BACKGROUND

1.1 In May 2012, all Health Boards and Trusts approved the Standing Orders for . Section 4.0.3 of the Standing Orders (as amended 1 March 2019) states:

“The SSPC shall establish a Sub-Committee structure that meets its own advisory and assurance needs and/or utilise Velindre’s Committee arrangements to assist in discharging its governance responsibilities.”

These Terms of Reference set out the arrangements for utilising the Velindre University NHS Trust Audit Committee to support the discharge of those relevant functions in relation to NHS Wales Shared Services Partnership (NWSSP).

ORGANISATIONAL STRUCTURE

Velindre University NHS Trust has an interest in NWSSP on two levels:

- a) The internal governance of NWSSP in relation to the host relationship; and
- b) As a member of NWSSP Committee in relation to the running of national systems and services.

The governance and issues relating to the hosting of NWSSP dealt with in **(a)** will be incorporated into the standard business of the existing Velindre University NHS Trust Audit Committee, with a specific focus on alternating Trust Audit Committee business. The assurance for the business dealt with in **(a)** will be to the Velindre University NHS Trust Board. The Chair of NWSSP Audit Committee should receive copies of the meeting papers and will be invited to attend, should there be anything on the agenda which has implications for the (SSPC).

Issues relating to NWSSP nationally run systems and services **(b)** will be fed into a separate Velindre University NHS Trust Audit Committee for NWSSP operating within its own work cycle. The assurance for the business dealt with in **(b)** will be to NWSSP Chair and the NWSSP Audit Committee, via the communication routes, detailed below.

The arrangements for **(a)** above, will not be considered further within these Terms of Reference, as it is for Velindre University NHS Trust Audit Committee to determine the relevant assurance required in relation to the host relationship.

This document goes on to outline the Terms of Reference for **(b)**, above.

2. INTRODUCTION

- 2.1 Velindre University NHS Trust's Standing Orders provide that "*The Board may and, where directed by the Welsh Government must, appoint Committees of the Trust either to undertake specific functions on the Board's behalf or to provide advice and assurance to the Board in the exercise of its functions. The Board's commitment to openness and transparency in the conduct of all its business extends equally to the work carried out on its behalf by Committees*".
- 2.2 In line with Standing Orders and NWSSP's scheme of delegation, the SSPC shall nominate, annually, a Committee to be known as the Velindre University NHS Trust Audit Committee for NWSSP. The detailed Terms of Reference and Operating Arrangements in respect of this Committee are set out below.
- 2.3 These Terms of Reference and Operating Arrangements are based on the model Terms of Reference, as detailed in the NHS Wales Audit Committee Handbook, June 2012.

3 PURPOSE

- 3.1 The purpose of the Audit Committee ("the Committee") is to:
 - **Advise** and **assure** the SSPC and the Accountable Officer on whether effective arrangements are in place - through the design and operation of NWSSP's **system of assurance** - to support them in their decision taking and in discharging their accountabilities for securing the achievement of the organisation's objectives, in accordance with the standards of good governance determined for the NHS in Wales.

Where appropriate, the Committee will advise the Velindre University NHS Trust Board and SSPC as to where and how its system of assurance may be strengthened and developed further.

4 DELEGATED POWERS AND AUTHORITY

- 4.1 With regard to its role in providing advice to both Velindre University NHS Trust Board and the SSPC, the Audit Committee will comment specifically upon:

- The adequacy of NWSSP's strategic governance and assurance arrangements and processes for the maintenance of an effective system of good governance, risk management and internal control across the whole of the organisation's activities, designed to support the public disclosure statements that flow from the assurance processes (including the Annual Governance Statement) and providing reasonable assurance on:
 - NWSSP's ability to achieve its objectives;
 - Compliance with relevant regulatory requirements, standards, quality and service delivery requirements, other directions and requirements set by the Welsh Government and others;
 - The reliability, integrity, safety, and security of the information collected and used by the organisation;
 - The efficiency, effectiveness, and economic use of resources; and
 - The extent to which NWSSP safeguards and protects all of its assets, including its people.

- NWSSP's Standing Orders, and Standing Financial Instructions (including associated framework documents, as appropriate);
- The planned activity and results of Internal Audit, External Audit, and the Local Counter Fraud Specialist (including Strategies, Annual Work Plans and Annual Reports);
- The adequacy of executive and management's response to issues identified by audit, inspection, and other assurance activity, via monitoring of NWSSP's Audit Action Plan;
- Proposals for accessing Internal Audit service (where appropriate);
- Anti-fraud policies, whistle-blowing processes, and arrangements for special investigations as appropriate; and
- Any particular matter or issue upon which the SSPC or the Accountable Officer may seek advice.

4.2 The Audit Committee will support the SSPC with regard to its responsibilities for governance (including risk and control) by reviewing:

- All risk and control related disclosure statements (in particular the Annual Governance Statement together with any accompanying Head of Internal Audit Statement, External Audit Opinion, or other appropriate independent assurances), prior to endorsement by the SSPC;
- The underlying assurance processes that indicate the degree of the achievement of corporate objectives, the effectiveness of the management of principal risks and the appropriateness of the above

disclosure statements;

- The policies for ensuring compliance with relevant regulatory, legal and code of conduct and accountability requirements; and
- The policies and procedures for all work related to fraud and corruption as set out in Welsh Government Directions and as required by NHS Counter Fraud Authority.

4.3 In carrying out this work, the Audit Committee will primarily utilise the work of Internal Audit, External Audit, and other assurance functions, but will not be limited to these audit functions. It will also seek reports and assurances from directors and managers as appropriate, concentrating on the overarching systems of good governance, risk management and internal control, together with indicators of their effectiveness.

4.4 This will be evidenced through the Audit Committee's use of effective governance and assurance arrangements to guide its work and that of the audit and assurance functions that report to it, and enable the Audit Committee to review and form an opinion on:

- The **comprehensiveness** of assurances in meeting the SSPC and the Accountable Officer's assurance needs across the whole of the organisation's activities; and
- The **reliability and integrity** of these assurances.

4.5 To achieve this, the Audit Committee's programme of work will be designed to provide assurance that:

- There is an effective internal audit function that meets the standards set for the provision of internal audit in the NHS in Wales and provides appropriate independent assurance to the SSPC and the Accountable Officer through the Audit Committee;
- There is an effective Counter Fraud service that meets the standards set for the provision of counter fraud in the NHS in Wales and provides appropriate assurance to the SSPC and the Accountable Officer through the Audit Committee;
- There are effective arrangements in place to secure active, ongoing assurance from management with regard to their responsibilities and accountabilities, whether directly to the SSPC and the Accountable Officer or through the effective completion of Audit Recommendations and the Audit Committee's review of the development and drafting of the Annual Governance Statement;
- The work carried out by key sources of external assurance, in particular, but not limited to the SSPC's external auditors, is appropriately planned and co-ordinated and that the results of external assurance activity complements and informs (but does not replace)

- internal assurance activity;
- The work carried out by the whole range of external review bodies is brought to the attention of the SSPC and that the organisation is aware of the need to comply with related standards and recommendations of these review bodies, together with the risks of failing to comply;
 - The systems for financial reporting to the SSPC, including those of budgetary control, are effective; and
 - The results of audit and assurance work specific to the organisation and the implications of the findings of wider audit and assurance activity relevant to the SSPC's operations, are appropriately considered and acted upon to secure the ongoing development and improvement of the organisation's governance arrangements.

In carrying out this work, the Audit Committee will follow and implement the Audit Committee for Shared Services Annual Work Plan and will be evidenced through meeting papers, formal minutes, and highlight reports to the SSPC, Velindre Trust Board and annually, via the Annual Governance Statement, to the Velindre University NHS Trust's Chief Executive.

Welsh Energy Group (WEG)

Welsh Energy Operational Group (WEOG)

Terms of Reference

Scope

The energy requirements of the NHS in Wales have a combined value in excess of £134m per annum. The overall portfolio comprises of over five hundred sites each requiring a supply of Gas, Electricity, Fuel Oils and/or Biomass Fuel.

Given the exceptional energy prices and volatility in the energy markets, an All Wales Directors of Finance (AWDoFs) Task & Finish Group was established in 2023 to progress a review, consider options and make recommendations in regard to the governance of energy procurement for NHS Wales. The outcome of this was the recommendation for the following groups to be formed:

- Wales Energy Group (WEG) - with delegated authority to agree national purchasing decisions & report to the NHS Wales (SSPC)
- Wales Energy Operational Group (WEOG) as a sub-group to the WEG – for operational management issues

This document's purpose is to define the Terms of Reference (ToR) for both of the above groups.

WEG

The WEG shall establish a strategy for the procurement of gas and electricity which will define basket choices from the Crown Commercial Services (CCS) framework options available to NHS Wales. The strategy shall have the aim of balancing risk limitation with cost certainty to the NHS Wales energy budget. Group members will be provided with monthly energy market analysis from CCS, in order to develop expertise of group members and aid informed decision making. The group will meet quarterly – with the option to increase frequency as market volatility dictates. The WEG shall also act as the All-Wales Programme Review Board regarding the renewal, extension and ratification of Gas and Electricity contracts made on an All-Wales Basis.

WEOG

The WEOG shall establish a common model to supplier management and best working practices across all NHS Wales utility contracts. Group members will be provided with monthly energy market analysis and insight from CCS, in order to keep members well-informed of market conditions. The group will meet monthly – with the option to increase or decrease the frequency if required.

Structure

WEG

The group will consist of Directors of Finance representatives from each of the Health Boards, Special Health Authorities, NWSSP and Trusts, or their deputies who will act with the delegated authority of their respective organisation to contribute to the collective decisions of the Group. The group will also include representation from NWSSP Procurement Services and NWSSP Finance.

WEOG

The group will consist of representatives from each of the Health Boards, Special Health Authorities, NWSSP and Trusts, made up of colleagues from various departments such as (but not limited to) Estates, Facilities and Finance. Representatives should have the delegated authority of their respective organisations to contribute to the decisions relevant to the scope of the Group. The group will also include representation from NWSSP Procurement Services.

Membership

WEG

It is suggested that the Group consist of the following members as a minimum;

- Chair of the Group
- Vice Chair of the Group
- Health Board/ Special Health Authority /NWSSP/ Trust Directors of Finance representatives or deputies with the delegated authority of their respective organisation to contribute to the decisions of the Group
- Representative(s) from NWSSP Procurement Services and NWSSP Finance.

The Group shall Co-opt an Account Manager or Market Analyst of the framework provider (CCS) for each meeting of the WEG to provide market intelligence.

It may be necessary for separate Task & Finish group(s) to be established in order to undertake specifically defined programmes of work with clear objectives and timescales. In such instances, the WEG will determine the remit and membership of such groups and the resultant groups will report progress and deliverables to the WEG and WEOG where appropriate.

Process for the Selection, Appointment and Termination of the Chair of the SSPC

This Annexe forms part of, and shall have effect as if incorporated in the
SSPC SOs

The (SSPC) has the responsibility for appointing the Chair of the SSPC. Whilst the appointment is not a Ministerial appointment the planned process will take account of the appointment principles outlined in the “Governance Code on Public Appointments” which came into effect on 1st January 2017 and sets out the regulatory framework for public appointments.

MAIN BODY

In line with the Governance Code on Public Appointments to Public Bodies 2016 the principles of public appointments are summarised below:

A. Ministerial responsibility - The ultimate responsibility for appointments and thus the selection of those appointed rests with Ministers who are accountable to Parliament for their decisions and actions. Welsh Ministers are accountable to Welsh Government.

B. Selflessness - Ministers when making appointments should act solely in terms of the public interest.

C. Integrity - Ministers when making appointments must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

D. Merit - All public appointments should be governed by the principle of appointment on merit. This means providing Ministers with a choice of high-quality candidates, drawn from a strong, diverse field, whose skills, experiences and qualities have been judged to meet the needs of the public body or statutory office in question.

E. Openness - Processes for making public appointments should be open and transparent.

F. Diversity - Public appointments should reflect the diversity of the society in which we live, and appointments should be made taking account of the need to appoint boards which include a balance of skills and backgrounds.

The essential features of the process will include the following:

- A panel must be set up to oversee the appointments process;
- The panel must be chaired by an independent assessor;
- An agreed selection process, selection criteria and publicity strategy for a successful appointment;
- A panel report must be prepared, signed by the chair of the appointment panel; and
- The appointment of the successful candidate must be publicised.

It is important that all public appointees uphold the standards of conduct set out in the Committee on Standards in Public Life's Seven Principles of Public Life. The panel must satisfy itself that all candidates for appointment can meet these standards and have no conflicts of interest that would call into question their ability to perform the role.

The selection panel will comprise of the following members:

- 3 members of the SSPC; and
- NWSSP Director of Workforce and Organisational Development

The appointment process is managed by the NWSSP Director of People and Organisational Development.

A suite of supporting documentation has been developed to support the process.

The job **advertisement**. It is proposed that, in line with the practice adopted by Welsh Government for all other public appoints this post is advertised on Job Wales which is the Western Mail and Daily Post on-line publication.

The candidate application **form**. The content and format very closely mirrors the application form currently used by the Welsh Government for Ministerial Public Appointments.

A **briefing pack** for candidates. This includes details of the role profile and person specification.

Governance and Risk Issues

Whist the appointment is not a Ministerial appointment, the planned process will take account of the appointment principles outlined in the "Governance Code on

Public Appointments” which came into effect on 1st January 2017 and sets out the regulatory framework for public appointments.

The appointment documentation and processes has been reviewed and agreed by the Director of Governance & Corporate Services/Board Secretary at Cwm Taf Morgannwg UHB who was a member of the SSPC; and has also been provided to the Director of Corporate Governance/Board Secretary at Velindre University NHS Trust to ensure that the appointment aligns to Velindre’s governance requirements.

The selection process will be repeated following each maximum term of office for the Chair of the SSPC, or when the Chair resigns, or following removal of the Chair by termination.

Reappointment and Tenure

The SSPC SOs form part of the Velindre University NHS Trust Standing Orders, which must take account of the provisions of the Velindre National Health Service Trust Shared Services Committee (Wales) Regulations 2012 and the disapplication of these Regulations with regard to the tenure of the Chair and Vice Chair.

Suspension and Termination

Should the circumstances laid down in the draft regulations at 9.(1), 9.(3), 9.(5) or 10.(1) emerge, and the removal (i.e. suspension or termination) of the Chair is deemed necessary, the Committee will agree the reasons for the decision to do so and formally submit these reasons to a panel constituted as that described for the selection process above.

The panel will then make a recommendation to Velindre University NHS Trust to suspend or remove the Chair. Velindre University NHS Trust will then take the necessary action and subsequently provide the Welsh Ministers with the reasons agreed as per section 9.(2) (termination) or 10.(2) (suspension) of the Regulations.
