

Wales National Workforce Reporting System

The Wales National Workforce Reporting System (WNWRS) is a secure web based tool developed to capture practice staff information for all General Practices. This Tool is already being used in 788 practices by the NHS in England supported by NHS Digital.

Welsh Government have engaged NHS Wales Shared Services Partnership (NWSSP) to procure and implement the WNWRS by the 1st April 2019.

Benefits of the WNWRS:

- Workforce Data in one place and one format, which is readily accessible.
- Vacancy Information feeding GP Streamlining Program.
- Workforce Planning across Practice Staff.
- Simplified function for Transferring Staff.
- Reportable Information
 - Practices > Clusters > Health Boards > All Wales.
- Support package for User and Technical queries.
