WNWRS Newsletter

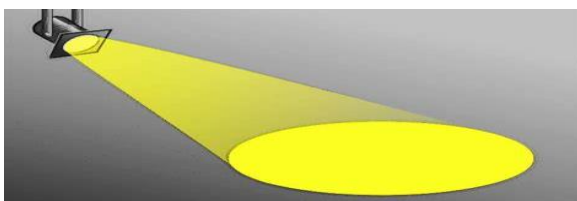

June 2020

Wales National Workforce and Reporting System (WNWRS)

Data extract – 30th June 2020.

Thank you to all Practices who logged in and checked their data was all correct before the data extract on the 30th June.

We will now go through a process of data validation, so your co-operation in the correction of any Data Quality issues will be gratefully received.

Focus on: Absence

Following feedback from Practice Managers, in Quarter 3 (July-September) please record **long term** absences in this area of the Staff Record, where resources are needed to cover the absence eg. Maternity leave or Long Term Sick Absence.

Action needed : Practice Managers to check all **Long Term** Absences are logged in this area.

With working arrangements for Practices changing on a regular basis, due to the ongoing Coronavirus Pandemic, arrangements for GMPI cover have been clarified in a document produced by our Legal and Risk team. Please click on the link below to read this important document, which outlines the guidance for GMPI during the Coronavirus outbreak.

If any Practice requires additional support or help with the WNWRS during this difficult time, please email nwssp.primarycarewnwrs@wales.nhs.uk who will be happy to discuss additional support for practices on an individual basis.

Hints and Tips

Have you entered a Staff Record twice by mistake? If so, please email nwssp.primarycarewnwrs@wales.nhs.uk who will be able to delete the duplicate for you. Please include clear instructions on which record to delete, including screenshots where possible.
