Covid Bonus Payments

[Additional guidance](#) from Welsh Government has now been issued to all Practices and Locum GPs on how the Covid Bonus Payment will be issued (link to FAQs [here](#)). Data from the WNWRS will be used to validate any payments made, so please ensure that all information is up to date. It is important to ensure all qualifying staff have full, valid records, so please check the 'leavers' area of your Staff Table as well as your 'active' staff.

For all queries on Covid Bonus Payments, please email

nwssp-primarycareservices@wales.nhs.uk

who are best placed to advise you.

Focus on: Vacancies

NWSSP as Single Lead Employer for GP Trainees are establishing a pathway to signpost newly qualified GPs to vacancies within Practices. If your Practice has any GP vacancies please add these to the WNWRS, we will then engage with you regarding the pathway and next steps.

Action required: All Practice Managers or WNWRS data entry users please enter any vacancies for their Practice in the Vacancy area of the WNWRS. This is on the left hand side options when you first log in – Vacancy Overview.

Locum Hub Wales

Accepting Multiple Locums for a shift will be available in Locum Hub Wales w/c 14/6/2021. Details on this functionality will be shared with all registered Practices and can be found on the [LHW support pages](#).

Data Extract – 30th June 2021

Thank you to all Practices who have already logged into the WNWRS during this Quarter. It is really encouraging to see the improvement in Data Quality within the WNWRS. There are now only 128 alerts (pieces of missing data) in the WNWRS, from over 10,000 records, which is a really encouraging result and a testimony to all the hard work and diligence of Practice Managers across Wales. This helps us to accurately identify staff for GMPI concerns and increases the reliability of workforce data in the reporting module.

If you haven't already done so, please log into the WNWRS and check your Staff Records are up to date. Any Practice who has not logged in during Quarter 2 (1 April 2020-30 June 2021) will show as non-validated in the reports published by Welsh Government.
