

Publication Notice 13/01

1 May 2013

Chief Executives, Local Health Boards and NHS Trusts
Estates & Facilities Managers, Local Health Boards and NHS Trusts

Dear Colleague

With the cessation of the Space for Health website and the return of health estates guidance to the Facilities Services website, Publications Notices providing information on new publications have re-commenced.

The following publication is now available from the Publications page of the Facilities Services website. <http://howis.wales.nhs.uk/whe>

HTM 04-01: Addendum *Pseudomonas aeruginosa* - advice for augmented care units

<http://howis.wales.nhs.uk/sites3/Documents/254/HTM%2004%2001%20Addendum.pdf>

This addendum focuses on specific additional measures to control/minimise the risk of *P. aeruginosa*. It may also have relevance to other opportunistic pathogens such as *Stenotrophomonas maltophilia*, *Burkholderia cepacia* and atypical mycobacteria. It replaced *Water sources and potential Pseudomonas aeruginosa contamination of taps and water systems Advice for augmented care units*

This is an English Department of Health document which is in the process of being issued officially in Wales. Its contents currently apply in Wales.

If you have any queries on this publications please contact Ann Konsbruck on Cardiff 029 2031 5512 or e-mail ann.konsbruck@wales.nhs.uk.

Yours sincerely
