Welsh Health Building Note 00-02 – ‘Sanitary spaces’ provides evidence-based best practice guidance on the design and layout of sanitary spaces for use in healthcare settings.

Although primarily applicable to new buildings, the recommendations contained within the guidance should also be applied, where practical, when existing facilities are being upgraded.

This document is based on the professional opinion of healthcare planning and design experts and ergonomic research, both published and unpublished.

If you have any queries on this publication please contact Ann Konsbruck on Cardiff 029 2031 5512 or e-mail ann.konsbruck@wales.nhs.uk.

Yours sincerely

N H DAVIES
DIRECTOR, FACILITIES SERVICES
