Dear Colleague

The following publication is now available from the Publications page of the Facilities Services website. <http://howis.wales.nhs.uk/whe>

 **WHBN 04-01 – Supplement 1: Isolation facilities for infectious patients in acute settings**  
<http://howis.wales.nhs.uk/sites3/Documents/254/WHBN%2004-01%20Suppl%201%20%20.pdf>

This Welsh Health Building Note sets out practical guidance on how to provide safe, effective isolation facilities for infectious patients (source isolation) that are simple to use and meet the needs of most patients on acute general wards.

It can be used for both new-build schemes and the upgrading of existing accommodation. Room layouts are included as illustrative examples; other room configurations are possible.

If you have any queries on this publication please contact Ann Konsbruck on Cardiff 029 2031 5512 or e-mail [ann.konsbruck@wales.nhs.uk](mailto:ann.konsbruck@wales.nhs.uk).

Yours sincerely
