Publication Notice 16/01

21 January 2016

Chief Executives, Local Health Boards and NHS Trusts

Estates & Facilities Managers, Local Health Boards and NHS Trusts

Dear Colleagues

The following publications are now available from the Publications page of the NWSSP-SES website. Please click on the titles below to view the documents.

HBN 08-02 Dementia-friendly health and social care environments

This Health Building Note is an English document, published by the Department of Health, the technical content of which is applicable to Wales. Its purpose is to provide an overall perspective of dementia-friendly design issues that need to be addressed in order to provide high quality health and social care estate. It is a new title in the HTM/WHTM suite of documents.

HTM 04-01 Supplement. Performance specification D 08: thermostatic mixing valves (healthcare premises)

This Health Technical Memorandum is an English document, published by the Department of Health, the technical content of which is applicable to Wales. It provides a robust performance-based specification standard for thermostatic mixing valves for use in the healthcare sector. It replaces *Model Engineering Specifications D08 1997*.

If you have any queries regarding this publication please contact Jennie Roe on: 029 2090 4118 or email: jennifer.roe@wales.nhs.uk

Yours sincerely

NH Davies BSc (Hons), Dip Proj Man (RICS), MBA, MCIQB, FIHEEM
