Dear Colleagues

The following publications are now available from the Publications page of the NWSSP-SES website. Please click on the relevant part number below to view the document.

**HTM 07-02 EnCO<sub>2</sub>de - making energy work in healthcare.**

**Environment and sustainability.**

***Part A: Policy and management***

***Part B: Procurement and energy considerations for new and existing building facilities***

These Health Technical Memoranda are English documents, published by the Department of Health, the technical content of which is applicable to Wales. They provide guidance on energy efficiency in healthcare facilities. The previous guidance *EnCO<sub>2</sub>de - making energy work in healthcare 2006*, has been archived although users may wish to use it to support the new 2015 documents as a source of useful technical information.

If you have any queries regarding this publication please contact Christopher Lewis, Environmental Management Advisor, on: 029 2090 4096 or email: Christopher.lewis4@wales.nhs.uk

Yours sincerely
