WHBN 03-01 Adult Acute Mental Health Units

This Welsh Health Building Note is designed to help NHS Wales organisations identify best practice in the planning and design of adult acute mental health unit inpatient facilities that are fit for purpose, provide value for money and support the delivery of key service objectives and policy drivers.

It replaces previous guidance: HBN 35 Part 1:1996 *Accommodation for people with mental illness. Part 1 - the acute unit* (and subsequent amendments).

Please Note: HBN 35 Part 2:1998 *Accommodation for people with mental illness. Part 2 - Treatment and care in the community* has now been archived in Wales and should be used for information only.
