Dear Colleague

The following publication is now available from the NWSSP-SES website. Please click on the title below to view the document.

WHTM 01-06 Decontamination of flexible endoscopes.

Part D: validation & verification (including storage/drying cabinets)

This document is part of a series of Welsh Health Technical Memoranda designed to provide NHS Wales organisations guidance on all aspects of the decontamination of flexible endoscopes. This part, Part D, highlights the types of tests and maintenance procedures that are needed to provide evidence that decontamination has been achieved.

This part has not previously been published in Wales.

If you have any queries regarding this publication please contact Jennie Roe on: 029 2090 4118 or email: jennifer.roe@wales.nhs.uk

Yours sincerely
