## **WHBN 03-02 Facilities for child and adolescent mental health services (CAMHS)**

This Welsh Health Building Note provides guidance for the design of child and adolescent mental health services (CAMHS) accommodation for children and young people aged up to 18 years. It provides full descriptions of rooms that are specific to CAMHS and are not contained in other WHBN's HBNs1, particularly WHBN 03-012.

The purpose of this guidance is to inform the planning and design of inpatient facilities that are fit for purpose, provide value for money and support the delivery of key service objectives and policy drivers.

The note should be used in conjunction with WHBN 03-01: Adult acute mental health units.
