# Publication Notice 23/02

11<sup>th</sup> July 2023

Chief Executives, Local Health Boards and NHS Trusts  
Directors of Estates & Facilities, Local Health Boards and NHS Trusts  
Directors of Planning, NWSSP, Local Health Boards and NHS Trusts

Dear Colleague

The following publication is now available from the NWSSP-SES Internet.  
Please click on the title below to view the document.

**[WHTM 03-01 - Specialised ventilation for healthcare premises Part A: The concept, design, specification, installation and acceptance testing of healthcare ventilation systems](#)**

**[WHTM 03-01 - Part B: The management, operation, maintenance and routine testing of existing healthcare ventilation systems](#)**

Welsh Health Technical Memorandum 03-01 – ‘Specialised ventilation in healthcare premises’ is published in two parts: Part A: The concept, design, specification, installation and acceptance testing of healthcare ventilation systems. Part B: The management, operation, maintenance and routine testing of existing healthcare ventilation systems.

The documents give comprehensive advice and guidance on the legal requirements, design implications, maintenance and operation of specialised ventilation in healthcare premises providing acute care.

Should you require any technical support in understanding or applying this guidance in healthcare settings please contact Dylan Morris Senior Performance Standards Engineer [Dylan.Morris2@wales.nhs.uk](mailto:Dylan.Morris2@wales.nhs.uk) or Mark Gapper Head of Engineering [Mark.Gapper@wales.nhs.uk](mailto:Mark.Gapper@wales.nhs.uk)

If you have any general queries regarding this publication please contact Emma Mazey, email: [emma.mazey@wales.nhs.uk](mailto:emma.mazey@wales.nhs.uk)

Yours sincerely,

**Stuart Douglas BSc (Hons), PGDip, MRICS, MAPM**
