# Specialist Estates Services Notification 17/07

**09 November 2017**

**For action by:**

Chief Executives, NHS Health Boards and Trusts  
Directors of Planning, NHS Health Boards and Trusts

**For information only:**

Copy to: Head of Capital, Estates and Facilities,

Dear Colleague

Please note that the Designed for Life Building for Wales construction and consultant frameworks for major capital projects in excess of £4 million ceased at the start of October 2017. The replacement for these frameworks is now programmed to be operational at the start of February 2018.

Should Health Boards/Trusts need to progress capital projects utilising construction and consultant frameworks until such time as the new frameworks are available, I would be grateful if you could contact Iain Worby, Head of Designed for Life Building for Wales on [iain.worby@wales.nhs.uk](mailto:iain.worby@wales.nhs.uk).

It has been established that alternative frameworks may be utilised by Health Boards and Trusts in this interim period and, dependent upon the requirements, may include the National Procurement Service (Property) frameworks, SEWSCAP2 framework, SCAPE framework or Pagabo framework.

Yours sincerely,

NH Davies BSc (Hons), Dip Proj Man (RICS), MBA, MCIQB, FIHEEM
