Specialist Estates Services Notification 18/02

30 January 2018

For action by:

Chief Executives, NHS Health Boards and Trusts
Directors of Planning, NHS Health Boards and Trusts

For information only:

Copy to: Head of Capital, Estates and Facilities,

Dear Colleague

Further to the issue of SESN 17/07 on the 9th November 2017, please could you note that the replacement for the Designed for Life Building for Wales construction frameworks that ceased in October 2017, is now programmed to become operational at the start of April 2018.

Should Health Boards/Trusts need to progress capital projects utilising construction and consultant frameworks until such time as the new frameworks are available, I would be grateful if you could contact Iain Worby, Head of Designed for Life Building for Wales on iain.worby@wales.nhs.uk.

It has been established that alternative frameworks may be utilised by Health Boards and Trusts in this interim period and dependent upon the requirements, may include the National Procurement Service (Property) frameworks, SWSCAP2 framework, SCAPE framework or Pagabo framework.

Yours sincerely,

NH Davies BSc (Hons), Dip Proj Man (RICS), MBA, MCI0B, FIHEEM
