Dear Colleague

Developing an Estate Strategy

Developing an Estate Strategy 2nd edition was produced for the NHS in England in 2005. Whilst it contains references to organisational structures, guidance, tools and initiatives that do not apply in Wales its general principles are recommended as an excellent basis to inform the preparation of a robust estate strategy. This can now be accessed from our website using the link shown above.

Please note that Specialist Estates Services are in the process of up-dating the document to reflect Welsh status.

Any enquiries on the status of this document contact ses.info@wales.nhs.uk or telephone 029 2090 4118.

Yours sincerely,
