For information only:

Chief Executives, NHS Health Boards and Trusts
Directors of Finance - NHS Health Boards and Trusts
Directors of Planning - NHS Health Boards and Trusts

Copy to: Health, Social Care and Early Years Group, Welsh Government

Dear Colleague,

SES DRONE SERVICE

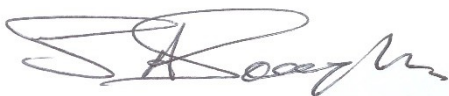

I wanted to make you aware that SES has recently procured a drone and has trained several members of the SES Property team to be able to fly it and take still and video photography.

SES intends to take still and video photography of the NHS Wales estate whilst undertaking Land and Property Portfolio (LAPP) inspections and will be in contact with your Estates representatives in due course to make the necessary arrangements. This will be undertaken on a rolling basis, aligned with the LAPP programme and weather permitting, in order to establish an aerial photographic library of the NHS Wales estate.

In addition, should a bespoke aerial record or survey of specific parts of your estate be beneficial to you, please contact the SES Property team to see if we can accommodate your request. Please note, there may be a charge for such discrete pieces of work.

Any enquiries on the content of this letter should be addressed to Clive Ball, Head of Property clive.ball@wales.nhs.uk or Mark Miller, Property Officer mark.miller2@wales.nhs.uk

Yours sincerely

Stuart Douglas BSc (Hons), PGDip, MRICS, MAPM
Director Specialist Estates Services
