University NHS Wales Bursary Payment Information

MEDICAL & DENTAL STUDENTS

Payment Dates

The Medical and Dental bursary is paid in three equal instalments over the course of the academic year.

The first instalment is paid in September, the second in January and the final one in April.

These payments are not made on a specific date but are usually processed early in the month.

Please notify Cardiff University and the Student Awards Services when you have updated your Bank Details on BOSS so that we can ensure you are paid correctly on each relevant instalment date.

Payment of Tuition Fees

Once your application has been approved, please show your Notification of Award to your University as evidence that your tuition fees will be paid.

For Undergraduate courses, the tuition fees are paid up to **£9000**

For Graduate Entry courses, the tuition fees are paid up to **£3465**

Your University should send your tuition fee invoice directly to us. We will forward the invoice to Welsh Government for payment.
